Waterfront Charrette Follow-Up Meeting

September 24 ■ 5:30-8:00 PM ■ Roger Williams Park Casino

Mayor David N. Cicilline and the **Providence City Council** invite you to participate in the next step of planning the future of our waterfront. In June, over 150 people participated in 4 days of workshops to discuss their ideas for how the waterfront should be developed in the coming years. Since the conclusion of those workshops, the City's consultant, Ninigret Partners, has been working to complete their study of the waterfront, preparing an analysis of economic conditions, land use constraints and opportunities, and transportation considerations for different development scenarios. On September 24th, you can:

- ▶ Hear about what other cities are doing to protect water-dependent uses while providing for economic growth
- ▶ Learn about strategies that allow different uses to co-exist
- ▶ Share your thoughts on how to apply these strategies to the Providence waterfront

Your participation will help shape the future of the Providence waterfront, an important citywide resource.

Schedule

- 5:30** Doors open, informal review of display material and information
- 6:00** Introduction and explanation of process
- 6:10** Presentation on Waterfront Study (economic, land use, transportation analysis)
- 6:50** Questions
- 7:00** Breakout groups for public input
- 8:00** Wrap-up
